Re: Multi-Million Dollar Advocates Forum Membership

---

Dear Mr. Meyerkord:

Your application for membership in the Million Dollar Advocates Forum and the Multi-Million Dollar Advocates Forum has been approved. Enclosed are your certificates of membership. Additional certificates (for branch offices, etc.) are available; please see the Forum website for details. Also enclosed is a press release announcing your membership. Members have asked that we issue such a release so that they may provide it to their local and regional newspapers, bar associations, clients and referring attorneys, etc. Most newspapers run regular "People In Business" types of columns for which such information is well suited. You may wish to submit the press release to such publications together with additional biographical or case-related information and a photograph. Newspapers are likely to be interested in the details of the case(s) which qualified you for membership. Many newspapers have run full feature articles on members and their successful practices.

Membership invitations are sent only to attorneys who objectively appear to be qualified, including those who have had published reports of major cases and those who are proposed for membership by current members. If you know of other trial lawyers who may be qualified and interested in membership, please send us their names and we will send them an application, advising them that you have proposed their names for membership.
